

APOLLO FITNESS TILE HIGH IMPACT FITNESS AREAS

- **VIBRATION AND SOUND ABSORBING TILES**

- Perfect for fitness centers, free weight areas and fitness area sound abatement

- Apollo™ fitness tile is the ideal flooring solution for workout areas located above occupied spaces.

- This non-laminated, molded tile has superior vibration absorption and unparalleled noise reduction properties.

- The gridback design of the 1" tile has been engineered to provide increased stability for cardio and weight lifting equipment.

- The 1.5" tiles provide additional sound reduction for free-weight areas.
